Effective January 1, 2019, the Fund's supplemental benefit program will be expanded to cover children, in addition to members and spouses. Each family unit (including children) will be eligible to receive reimbursement of up to $500 per calendar year for dental and vision expenses. The Fund has decided to redirect monies to these expenses due to costly and onerous reporting obligations imposed by the Federal Patient Protection Affordable Care Act ("PPACA") on plans that provide medical benefits. Effective January 1, 2016, the Fund will temporarily suspend reimbursement for medical deductible, medical co-payment or prescription drug co-payment expenses while it continues to evaluate this situation.

Members may submit claims for this benefit only once per calendar year. Members must submit this claim form prior to April 30th of the calendar year following the year charges were incurred. For example, covered expenses incurred from 1/1/19-12/31/19 may be claimed from 1/1/2020-4/30/2020.

Attach to this claim form copies of the explanation or denial of benefits showing that you have expenses not reimbursed by any primary or secondary insurance plans. Mail completed forms to:
